Specifications

Model
VST-57

Product Size
1200 x 185 x 980 mm

Pass Rate
35 ~ 40 p/m

Pass Width
≤600mm

Com. Interface
RS485, Dry Contact

Input
AC 100-240V

Frequency
50 ~ 60 Hz

Opr. Voltage / Max. Power
DC 24V / 50 W

Operating Time
0.2 second

Material
304 SUS 1mm

Working Temperature
-25 ~ 70 °C

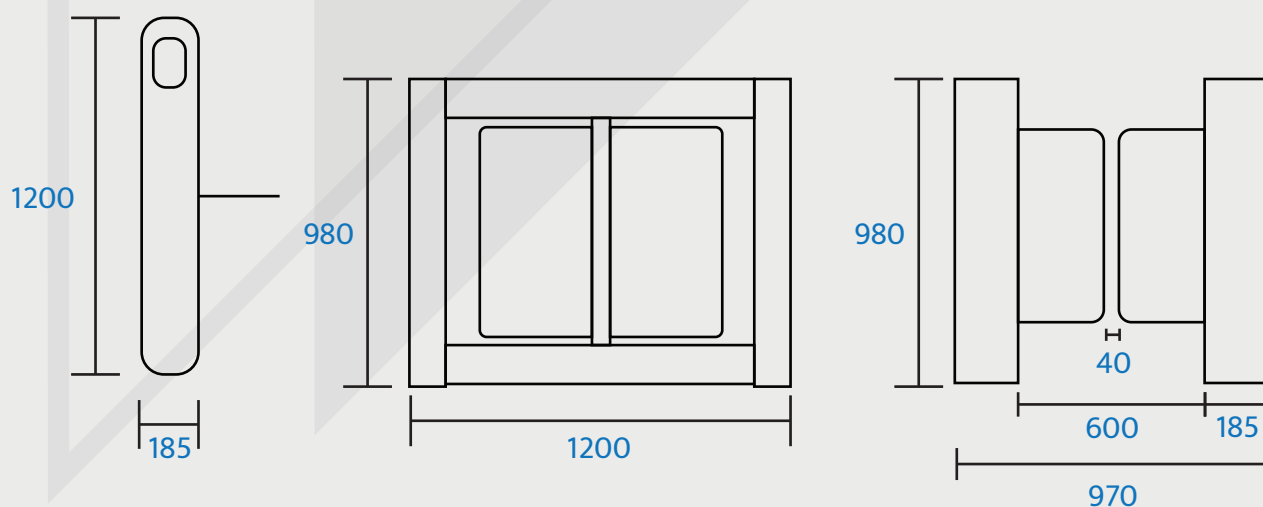

Protection
IP45

Arm Material
10mm Acrylic

Net Wight
65 kg

MCBF
5,000,000 Cycles

Dimensions (mm)

TB-US3012
